

# nu2016

Malmö 15-17 juni 2016

## NEWSLETTER 5 MAY 2016

### Program for NU2016 now confirmed!

Make your plans for the three conference days already! The program is filled with keynotes, invited speakers, presenters, round table talks, panel debates and workshop and an open square with demonstrations, posters and lightning talks. [See the program here.](#)

We jump the gun already on Tuesday 14 June with a pre-conference. The network Room for Active Learning [Rum för aktivt lärande] will hold a symposium. Read more about this at [rumforlarande](#). Note that if you participate in this pre-conference the early bird-price applies for NU2016.

Inspira invites you to a talk on digitalization of the examination process on Wednesday morning, 15 June. For program and registration see [insperanu2016](#). If you register for this event, the early bird-price applies for NU2016.

A number of our exhibitors extend invitations to lunch meetings during the conference. Read more about this and our other exhibitors under the Exhibitors tab at [www.nu2016.se](http://www.nu2016.se)

We want to draw your attention to our prolongation of the last date for registration of 1 June. Welcome with your registration at [registrering](#). Here you can also book accommodation at the conference hotel or at a nearby hotel.

See you in Malmö! 😊

### NU2016 aims at sustainability!

As a participant you can help p us in our aim at sustainability by bringing your own conference bag, paper and pen as we will not distribute these things in order to reduce the material consumption. A tip is also to print the program in advance. At our webpages you can read more about our sustainability ideas. [www.nu2016.se](http://www.nu2016.se)
